ISO 13006 Annex G - UNI EN 14411 Annex G - Bla GL

ANSI A137.1 - CLASS P1

The Essential Brick collection reveals all the expressive potential of porcelain stoneware in a small format, known as a "brick", which offers great versatility, becoming a protagonist in refined interior design projects, thanks to its ability to easily recreate retro but incredibly modern and sophisticated atmospheres. Irregular reliefs characterize glossy surfaces with contemporary and deep tones, to compose brilliant coverings that play with material and color.
