Porcelain Tiles

ISO 13006 Annex G - UNI EN 14411 Annex G - Bla UGL

ANSI A137.1 - CLASS P1

Inspired by hand-trowelled cement resin, Pigmento expresses its personality through the sensuality of dense colour. Matter that gives substance to unique, unrepeatable shades, compact and yet multi-faceted, resin takes the form of surfaces moulded into constantly new waves and corrugations by the skilled hands which applied them.
