ISO 13006 Annex G - UNI EN 14411 Annex G - Bla UGL

ANSI A137.1 - CLASS P1

A reflection on the primitive and minimalist form of stone and on the different finishes that originate from the different ways of working this material: this is what inspired the Stonetalk collection. The result is an "archetypal" stone, a shining star, yet discreet at the same time, destined to assume different appearances in surfaces depending on the way it is worked.
